

# Lonesome Pines Trailing

Ski Downhill, Cross Country, Telemark, Snowboard or Snowshoe with us!

**L**onesome Pine Trails starts making snow in early December and then Mother Nature takes over to give us abundant snowfall for fabulous skiing and boarding on trails immaculately groomed by our Master Groomer Darold Bossie. Our Lodge & slopes are within walking distance to downtown Fort Kent.

**B**eginning skiers and boarders will enjoy the Bunny Trail, which has a Handle Tow. When you graduate from the Bunny Trail, the T-bar tow will take you all the way up to the top of the hill to choose any trail. The Founders Trail is fun for everyone but Intermediate skiers and boarders will find more challenge on the Valley and Maine Trails.

**T**he most experienced skiers can test their skills on the Garbonstingle, Reservoir, The Far Side, Duval & Pine Needle Pass Trails. The Snow Park with a Grinding Rail & Half Pipe is located next to the Res for those who like to Freestyle.

**N**ordic trails maintained by the 10th Mountain Ski Club are adjacent to the Lodge. Twenty-five kilometers of excellent Beginner to Expert trails can be accessed by the Green Bean X-C Ski Trails. You may like to purchase an inexpensive one time T-bar pass that will lift you up to the top! You can then ski the trails over to the 10th Mountain Ski Center and return to the Lonesome Pine Lodge by going down the Green Bean Ski Trails (FUN & FAST!). Check at the lodge for a detailed map of the 10th Mountain Ski Trails.
